Parish Council – Following the May elections we said farewell to John Young and to Phil Lilley. Both have given a lot of time to the village during their years as Parish Councillors and we are very grateful. I am delighted to say that both will continue to support the Nature Reserve. We now welcome Polly Brant who has agreed to join us.

We still have one vacancy, if you are interested in getting involved please contact Mike Elliot (clerk@costock.parish.email) or Kath Owen (kath.owen@costock.parish.email) 852974.

Closing date for expressions of interest – September 15th.
